

OBERSEMINAR

ZUR

ALGEBRA UND ALGEBRAISCHEN KOMBINATORIK

Mittwoch, 19.07.2006

ab 14:15 Uhr, Raum A 410

Herr Dr. Lizhong Wang

Peking University, Beijing

On the construction of simple groups

I will introduce some results on simple groups (some old and some new), especially on the construction and uniqueness proof of simple groups with the help of computer.

Alle Interessierten sind herzlich eingeladen.

GEZ. PROF. DR. C. BESSENRODT
